Pennsylvania Wireless Association Holding Kickoff Meeting in Plymouth Meeting, PA

(Harrisburg, PA) The Pennsylvania Wireless Association will hold its organizational kickoff meeting on March 23rd, 2006 at the Doubletree Guest Suites hotel in Plymouth Meeting, Pa. The keynote speaker will be Kelly Lewis, President of the Technology Council of Central Pennsylvania

The Pennsylvania Wireless Association has been founded to promote positive wireless industry awareness for all sectors of our community. These include mobile service subscribers, wireless service providers, industry vendors and services suppliers, and local and state government officials and agencies. Association membership encompasses wireless carriers, antenna site providers, tower companies, equipment vendors, construction companies, site acquisition firms, and the legal community. Membership in the Association is open to any organization or individual with any level of professional involvement in the wireless industry and who is interested in its positive development and advancement.

Officers of the Pennsylvania Wireless Association are President Todd Stiles, of Strategic Communications Services; Vice President Charles Krudner of Cingular Wireless; Secretary Brooke Dolan of ClearShot Communications; Treasurer Tim Sweeney of PPL Telcom, and Counsel Richard Williams of Hourigan, Kluger & Quinn,

Founding board members are Charles Krudner, Cingular Wireless; Brooke Dolan, Clearshot Communications; Tim Sweeney, PPL Telcom; Richard Williams, Hourigan, Kluger & Quinn; Keith Penozza, Strategic Communications Services, Inc.; Chris Pleibel, Primus Electronics Corp.; Brian Reese, Aero Solutions; Brian Geiger, Crown Castle; James Innes, Wireless Access Technologies; Sheldon Moss, Crown Castle; Laura Smith, Personal Communications Industry Association, Marjorie Weber, Sprint-Nextel; Eric Goldberg, T-Mobile; Todd Stiles, Strategic Communications Services. Standing committees of the Board are Membership & Social, Public Relations, Regulatory, and the Carrier Steering committee

According to President Todd Stiles, "Without question, wireless communications is an essential element of the Pennsylvania economy. The Pennsylvania Wireless Association is the first association in the Commonwealth that brings together under one roof all of the individuals and organizations that are doing their part every day to build, maintain, and enhance this critical facet of our state's infrastructure upon which so many other drivers of the state's economic growth depend.

The Personal Communications Industry Association (PCIA), other industry trade groups, and various committed industry professionals are responsible for the State Wireless Association Program (SWAP) initiative, which kicked off first with the founding of the Tennessee Wireless Association in 2001.
