### FEATURED SPEAKER

**MICHAEL T. N. FITCH**

The President and CEO of PCIA. Fitch was responsible for policy and licensing as a Division Chief and Bureau Chief at the FCC. His experience includes 20 years of executive management at the US Department of State and the Federal Communications Commission in Washington, DC.

### SPEAKER

**HUNTER STUART**

President and founding member of the Tennessee Wireless Association. Serves as Director, New Site Development—DAS at Crown Castle International. Stuart previously served as the District Manager for Western Tennessee and Arkansas, where he managed a portfolio of approximately 500 towers.

Pass this along to anyone in the wireless telecommunications industry!
